ABOUT JACKSON CHANCE FOUNDATION

JCF created the NICU Transportation Program to partner with hospitals and alleviate the transportation expenses of all families while their child is in the NICU by providing parking and CTA/Metra vouchers to every family, each and every day. The programs are fully funded by JCF. Currently, the foundation's program benefits the Ann & Robert H. Lurie Children's Hospital of Chicago with plans to expand to Northwestern Prentice Women's Hospital in the near future. Jackson Chance Foundation is an Illinois nonprofit, tax exempt 501(c)(3) organization.
